Part 4 Objectives

In part 4 you will:

- Understand how to structure your web site.
- Show that you can use a Storyboard to design an effective and well planned web site.
Lesson Success Criteria:

**You Must:** Complete hand drawn designs for your 4 web pages.

**You Should:** Complete hand-drawn designs for the 4 web pages AND add well chosen colours to the designs.

**You Could:** Do all of the above AND begin to gather images that you will eventually use on your web pages.
